NEVER STOP SERVING®

MOAA-Supported Legislation

MOAA's experts in Washington are constantly reviewing and assessing any and all legislation that may impact the earned pay, benefits, and support programs of the uniformed services and veteran communities. The organization's endorsement process is deliberative; MOAA will not support or oppose any legislation without a thorough review of its potential effects, positive or negative.

With the start of a new Congress, this means that any bill that was not signed into law before the end of the 117th Congress will need to be re-introduced. MOAA will need time to assess new and old legislation as it is introduced by lawmakers and then will need our help to keep momentum for existing priorities moving such as the Major Richard Star Act. This bill, if passed will benefit tens of thousands of combat-injured veterans. The bill had the support of two-thirds of Congress at the end of last session, but time ran out.

MOAA is going to need our help on behalf of re-introduced issues such as the Major Richard Star Act, new objectives and emergent issues, often via immediate action to keep up with the stop-and-go pace of legislation. If you are not signed up for [The MOAA Newsletter](#) or not registered as an advocate at the Legislative Action Center, please go to this link and [register as an advocate](#).

Please do not be skeptical. All registering does lets you receive notifications from time to time requesting that we contact our Congressional Representatives. Once registered, all you have to do is click on the particular issue. Your Senatorial and Congressional Representatives names appear based upon your zip code along with a preprepared letter with your name affixed. You can send the letter as written to all, or you can "uncheck" anyone you do not want to contact. You can even modify the letter on the screen. Once you are satisfied, click on the "Send selected letters" block and you are done.

Remember, we are all members of MOAA. Let us do our job of supporting MOAA National. They are supporting us.
